Meet your new and improved

Air Filter!

The same program you love, now with brand new, foldable air filters.

What's New:

Better filtration

We've improved the filtration and airflow capabilities, so you're getting a better filter without a price hike. This filter features 2.5x the filtration surface area compared to standard air filters.

Simplified Installation

The filter works no matter which way it's installed, so there's no way to mess up the filter replacement. We've carefully designed this filter to maximize efficiency and simplify this chore even more.

Eco-minded

We've reduced the amount of cardboard used in shipping, which in turn reduces our carbon footprint.

What's The Same:

The exact quantity and size of filters required for replacement are delivered right to you.

Each package includes a personalized message with instructions on how to change the filters.

Filters are delivered on schedule as a timely physical reminder to change them.
